Hello,

Me and Tomasz Wrzesiński ended cooperation at the end of August. I only dealt with the sale of yachts and did not know that there are such problems in the charterer. This year in August, as I found out, I ended my cooperation immediately. I learned that he did not give money for charters, he has not given yacht owners money for charters sold to this day.

I have no influence, only Tomasz Wrzesiński President and Krzysztof Marciniak is his right hand and deals with charter is the Manager.

Yes, now I work as W / Yachts sp.z o.o. sole distributor of Ferretti Yachts and Pershing. The other companies are also his.

I don't know how I can help.

Pozdrawiam/Regards

Dear Mr. Majtyka,  
I am contacting you regarding criminal activities of Tomasz Wrzesinski.

Our company paid to Sessa Charter (Adriatic Yacht d.o.o.) 8642 € for charter of Sessa 54 Fly (2018) in Croatia.

I was in contact from beginning with Paulina Szymczak, later with Krzysztof Marciniak. They canceled last week our charter and did not return money back. They do not answer on emails or telephone calls.

Just Tomasz Wrzesinski, answered me - he was joking, that I can do whatever I want, he will send his lawyer on me...

It seems that Tomasz Wrzesinski is using defraudation in charter business in Croatia for financing W/Yacht and dealership of Ferreti Group.

I write you an email, because I suppose, that you are not part of criminal scheme of Tomasz Wrzesinski.

I kindly ask you to help me to stop this cheater and to get my money back.

I already arranged, that Sessa charter is blocked in Croatian reservation system. I also contacted Ferreti Group to discuss situation and next steps.

As this is an international criminal scheme, investigation will be quite long (needs cooperation of authorities from Croatia, Great Britain, Poland and Slovakia), I put all my energy to publicize activities of Tomasz Wrzesinski to avoid his next cheating activities and to get my money back.

I kindly ask you to discuss this with Tomasz Wrzesinski and make pressure on him to return stoled money.
