

A two-masted wooden sailing ship, the ROMANCA, is shown sailing on the sea. The ship has a white hull and a dark wooden upper structure. It features two tall masts with complex rigging. The ship is moving from left to right, leaving a white wake in the blue water. The sky is a clear, light blue with a few wispy clouds. In the background, there are low, hazy mountains. The name "ROMANCA" is written in white, serif capital letters on the right side of the image. A thin red vertical line is positioned on the left side of the image.

ROMANCA

ROMANCA is a term that describes the relationship that corresponds to the ideal of so-called love between a guest, a ship, and the sea.

The Gulet Romanca, a traditional wooden boat, is a family boat that has been in the safe hands of its owners for more than a decade. While sailing the Croatian coast and islands, enjoy the relaxed, elegant ambiance of one of the most charismatic ships on the Adriatic.

With a special female touch, the owner Andrea is in charge of being one of the best-maintained gulets in Croatia today.

Gulet Romanca has eight cabins and is ideal for larger groups with a capacity of up to 16 guests. Each cabin has its window for viewing the sea landscape, a dressing room, a private bathroom with a toilet, shower, and personal toiletries such as shampoo and soap, bath towels, and a beach towel.

Take advantage of numerous opportunities for relaxation, socializing, and entertainment indoors and outdoors.

Stroll to the back of the boat and the outdoor dining area, protected from the heat, where plenty of brilliant meals await you with a creative private chef on board preparing gourmet Mediterranean dishes.

And there is an indoor lounge with two dining tables, a bar, a TV, and a DVD player, and players will be especially delighted with the Play Station.

Its large upper sun deck has comfortable loungers and a large sofa with pillows when you want to sunbathe. Make your time at sea as exciting as possible and get to know the fun world of water toys such as jet skis, rowing boards, canoes, diving equipment, and fishing equipment.
